

Discovery Nursing and Rehab of Vancouver, located just off Interstate 5 in the heart of Vancouver, utilizes a comprehensive and interdisciplinary approach to help patients improve their independence and quality of life.

## What sets us apart:

- Partnership with Daiya Healthcare that provides in-house and telehealth medical professionals such as Internal Medicine, Cardiology, Psych and Pain Management.
- Partnership with United Wound Care that provides weekly wound rounding with superb healing rates.
- Expert therapy team has over 50 years of combined experience, treating a variety of neurological and physical impairments.
- Team provides a patient-centered approach to help individuals achieve their goals and facilitate a safe discharge plan back to their activities of daily living.
- Implement evidence-based practice through use of our clinical models including: Total Joint Protocol, Cardiac Guidelines, High Intensity resistance training, Gait Speed Training.
- Family-centered facility with staff longevity.
- Well-equipped therapy gym with NuStep machine, parallel bars, shoulder pulleys, and more.
