

PRESTIGE ASSISTED LIVING AT GREEN VALLEY

Surrounded by pristine golf courses and pecan orchards, **Prestige Assisted Living at Green Valley** is conveniently located 25 miles south of Tucson and just minutes away from the majestic Madera Canyon, where sightings of rare Golden Eagles and Peregrine Falcons are commonplace.

We engage our residents through a variety of life-enriching programming. Our wellness program, **Celebrations**, is focused on six wellness categories that empower residents to explore new or treasured hobbies, pastimes and skills. With the Green Valley Celebrations program, residents have the tools to explore a host of exhilarating new activities and to live life the way they want.

At Green Valley, we offer the award-winning **Expressions Memory Care** Program, which uses innovative techniques and approaches to turn daily activities into memorable and meaningful events. Our program provides people living with dementia and other forms of cognitive impairment an outlet for creativity through arts, learning, and spirituality, embracing the philosophy that "Life is an Activity."

We aim to help residents enjoy life and receive the personal care they need. While our community offers an active lifestyle, it is also the warmth and personal care of our devoted staff that helps fosters a true sense of community.
