

# PRESTIGE SENIOR LIVING WEST HILLS

Situated in the heart of the Willamette Valley in the foothills of the Coastal Mountain Range, **Prestige Senior Living West Hills** sits in the shadow of Mary's Peak, the highest point on the Coastal Range.

Our community features tree-lined walking paths, nearby parks and proximity to grocery stores, restaurants and retail centers. Inside, we recently completed a renovation with new carpeting, furniture, paint and art, giving our community a gorgeous new look.

The West Hills wellness program, Celebrations, is designed to nurture mind, body and spirit, and give you the choices and freedom to celebrate life. As your partner in active aging, it is our goal to help you achieve an optimum level of health and wellness throughout all aspects of your life.

You'll never run out of fun things to do. If you want to maintain an independent lifestyle, but enjoy the relaxed atmosphere of a senior community, this is the place for you. West Hills is about choice and convenience. Our community is designed with spacious and well-appointed living areas so that our residents can live how they want to live.
