

# PRESTIGE ASSISTED LIVING AT HENDERSON

Warm and friendly are two words that describe our **Prestige Assisted Living** community in Henderson. Our upbeat and personable staff is committed to getting to know our residents and their family. As a result, our residents become like our family.

Our pet-friendly community is located in a residential neighborhood and is adjacent to the beautiful Lake Mead Recreation Area, allowing you and your family to choose from a variety of activities or simply relax and enjoy a quiet afternoon.

In addition to the many community amenities we also offer **Celebrations**, a program that is focused on six wellness categories that empower residents to explore new or treasured hobbies, pastimes and skills. With the Henderson Celebrations program, residents have the tools to explore a host of exhilarating new activities and to live life the way they want.

Henderson also offers award-winning **Expressions Memory Care Program**, designed to make our residents feel accepted, important, comfortable... at home. Expressions creates a buffer against fear and the stress of dementia and other forms of cognitive impairment through activities that stimulate the body and mind, and enrich the life of our residents.
