

PRESTIGE ASSISTED LIVING AT VISALIA

At **Prestige Assisted Living at Visalia**, we pride ourselves in looking at individual needs so that all of our residents receive personalized care. We offer a unique environment where our residents and staff become extended family members. All of our entertainment and activities are designed to include all residents, staff, and even family members.

At Visalia, we offer an innovative wellness program, **Celebrations**, that is focused on six wellness categories that empower residents to explore new or treasured hobbies, pastimes and skills. With the Visalia Celebrations program, residents have the tools to explore a host of exhilarating new activities and to live life the way they want.

Our community also offers the award-winning **Expressions Memory Care Program**, which uses innovative techniques and approaches to turn daily activities into memorable and meaningful events.

Our program provides people living with dementia and other forms of cognitive impairment an outlet for creativity through arts, learning, and spirituality, embracing the philosophy that "Life is an Activity."
