

Chehalem Health and Rehab Center is tucked away in the quiet town of Newberg, Oregon just minutes from Providence Newberg Medical Center. Our staff is committed to providing high quality, individualized care with the goal of helping each patient return home to their active lifestyles. In addition to our exceptional skilled nursing care, Chehalem offers our award-winning Expressions Memory Care Program.

What sets us apart:

- Award-winning Expressions Memory Care Program focusing on Dementia and Alzheimer's.
- Individualized care with the goal of helping each patient return home to their active lifestyles.
- Joint rehabilitation protocol focused on early management and regaining range of motion and strength after joint replacement surgery.
- In-house physicians for primary care, pain, and psychiatric services that can be provided on-demand with a focus on well-being, comfort, and prompt treatment.
- Gait speed training program to improve efficiency, confidence, and safety with functional ambulation in the home and community.
- Home-like environment with friendly and compassionate staff.
