

Located within walking distance to beautiful and historic downtown McMinnville, Prestige Post-Acute and Rehabilitation Center – McMinnville is surrounded by shops, restaurants, and wineries. Our specialized skilled nursing and post-acute care assist patients who have suffered an unexpected injury or illness, and those who are recovering from a surgical procedure, get back on their feet.

What sets us apart:

- We offer continuing support throughout the healing process including daily RN coverage, IV therapy, post-wound healing, post-amputation care, specialized diets, stroke rehabilitation, and more.
- We provide joint rehabilitation protocol focused on early management and regaining range of motion and strength after joint replacement surgery.
- A rehabilitation gym with high intensity resistance training to encourage functional strength training, including e-stim and ultrasound modalities.
- A cardiac rehabilitation program focused on monitoring and working patients within the target intensity zone to improve cardiac response to activity.
