

Richland Rehabilitation Center, located near the scenic Columbia River in Richland, Washington, is part of a Prestige “Campus of Care” offering a continuum of care from skilled nursing and rehabilitation to assisted living. Our highly skilled clinical team strives to meet the unique rehabilitation needs of every patient to aid in their recovery journey and transition them from hospital to home.

What sets us apart:

- Campus of Care offering a continuum of care from skilled nursing and rehabilitation to assisted living.
- Highly skilled clinical team committed to meeting the unique rehabilitation needs of every patient.
- Joint rehabilitation protocol focused on early management and regaining range of motion and strength after joint replacement surgery.
- Cardiac rehabilitation program focused on monitoring and working patients within the target intensity zone to improve cardiac response to activity.
- Gait speed training program to improve efficiency, confidence, and safety with functional ambulation in the home and community.
- High-tech rehabilitation gym with high intensity resistance training to encourage functional strength training.
