

THURS
11AM-12:15PM

Join us for monthly
**MEMORY
CARE
MEETINGS**

**FIRST AND THIRD THURSDAY
OF EVERY MONTH**

A diagnosis of Alzheimer's disease or dementia in a loved one can be a time of uncertainty and anxiety. It's why our community has started a monthly group that offers support, education and information on topics related to memory loss.

The meetings are open to all residents and their families, as well as members of the general public seeking information or support related to memory care.

The group meets on the **first and third Thursday of every month** right here at Prestige Assisted Living at Green Valley from **11 am – 12:15 pm**.

The meetings are led by our Expressions Director, Patricia "PJ" DeLancey. She has been with our team for 17 years, the last seven leading our memory care program. She has expanded training in Prestige's Expressions memory care programming and additional training in Alzheimer's and Dementia care.

RSVP to each meeting by calling (520) 648-5583.
